### NEWS ABOUT THE BOYS WHO ARE IN SERVICE.

Warren McNamar, of Paxton, son of Mr. and Mrs. E. N. McNamar, well known in North Platte, has enlisted for special service in the U. S. army and will leave this week.

Messrs. Miller and Boley left Saturday noon for Camp Benjamin Harrison at Indianapolis. A large number of friends gathered at the depot to bid the boys goodbye.

"Bob" McWilliams, formerly of this city, but of late working as a boiler-maker in Denver, enlisted Saturday for special service and left the same evening for Camp Benjamin Harrison, at Indianapolis.

Ralph Henderson, who had been in the base hospital at Ft. Riley as a member of the corps, has been promoted sergeant and sent to Camp Merritt, N. J. It is probable that he will soon be sent overseas.

Captain P. R. Halligan of Co. E at Camp Cody, has been appointed acting major at the training school for drafted men at that camp. These drafted men were sent to Deming from New Mexico, Arizona and Colorado.

Mark Leonard, stationed at Camp Funston, stopped over in town for a short time yesterday while enroute to Ft. Russell with a shipment of mules. Upon his return he hopes to be able to visit relatives and friends for a couple of days.

Clarence Jones, son of chief of police Jones, who went to Camp Cody with Co. E, writes that he has been appointed sergeant in the training school for drafted men at that camp. He is also a member of the automatic rifle team.

Arthur McEvoy writes that he is now at the detention camp at the Great Lakes naval training station, and other than suffering from a sore arm due to vaccination, is feeling fine. His only complaint is that he doesn't have cream and sugar for his coffee.

### Districts Reporting.

Up to last evening sixteen school districts had reported the results of the meetings held yesterday afternoon to subscribe funds for the Red Cross. Fourteen of the sixteen exceeded their quota. Those reporting and the amount subscribed were:

- Brady \$1,260; HERSHEY \$1,000; Sutherland (not finished) \$800; Maxwell \$500; Dickens \$214; Dist. 89, \$375; Dist. 11, \$319; Dist. 17, \$287; Dist. 101, \$223; Dist. 98, \$308; Dist. 118, \$100; Dist. 52, \$80; Dist. 119, \$72; Dist. 82, \$150; Dist. 12, \$50; Dist. 87, \$50. Wallace reported subscriptions of \$400, but the work is not completed.

Up to last evening the solicitors in North Platte had reported subscriptions amounting to a little more than one-half the city's quota, but it is confidently expected that the quota will be reached. The committees hope to complete the canvass in the city by ten o'clock tonight.

### "The Beast of Berlin."

"The Kaiser, the Beast of Berlin," drew two immense audiences at the Red Cross theatre last night. At the first show several hundred were turned away, not because every one of the 750 seats were filled, but because there was no standing room. At the second show the house was also packed.

Between the shows Judge Oldham, of Kearney, delivered a partiotic address that received enthusiastic applause.

"The Beast" will be exhibited at a matinee this afternoon at three o'clock and will also be presented at the two shows at the usual hours this evening.

### Heavy Hail Storm.

A very heavy hail storm swept over a large section of country between a point six miles south of the river and Maywood about eight o'clock last evening. The hail covered the ground to the depth of an inch or more, and some of the stones are reported to have been as large as hen's eggs. The storm center covered a territory in which there is a very large acreage of wheat, but it has not been learned how badly the growing wheat was damaged. A heavy rain accompanied the hail.

It is not "propaganda." First of all it is a true picture showing how your dollars are making things a bit more comfortable for your boys in France. This picture will be shown at the Keith theatre next Monday, May 27th.
